

You've heard her story. You may have read part of her memoirs. Now you can enjoy the complete account of her life. The autobiography of Harriet Taylor Upton was written in 1927, but never published until 2004.

Harriet Taylor Upton's Random Recollections

Here are her memoirs, with photographs, clippings and extra biographical and historical information that will trace her dramatic rise from small town lawyer's daughter to a power player in the national council of suffrage. Here you will find a warm and witty woman worthy of all the accolades given her.
